

Rice and Slaves

Objective

Students will understand the historical background of the slave trade in South Carolina.

Procedure

1. Students will be put in small groups and given on of the following chapters from Rice and Slaves by Daniel C. Littlefield.
 1. Price and Perception
 2. Agents and Africans: The Trade Overseas
 3. Plantations, Paternalism, and Profitability
 4. Rice Cultivation and the Slave Trade
 5. Perceptions and Social Relations

2. Students will read and evaluate each chapter. Each group will present a power Point presentation for their class mates.

Evaluation

Power point presentations will be graded.
